```

The flowchart illustrates the PayPal integration process. It starts with 'Add Item(s) to Shopping Cart', leading to 'Provide Ship To Information' (highlighted with a red circle). From there, it branches into 'Choose Pay Method Visa, MC, PayPal'. This step leads to 'Provide Bill to and Pay Method Information' via a 'CC' (Credit Card) path, or to 'Login to PayPal' via a 'PP' (PayPal) path. Both paths converge at 'Review Order Summary', which then leads to 'Order Confirmation'. The 'Login to PayPal' path also includes 'Agree to Transaction' before reaching 'Transaction Confirmation', which then leads to 'Order Confirmation'.
